World Justice Institute, a non-profit organization, has developed a methodology to measure the rule of law in 197 countries and territories. The methodology is based on 12 indicators, which are grouped into three categories: structural indicators, process indicators, and outcomes indicators. The indicators are measured on a scale of 0 to 100, with 100 representing the highest level of rule of law. The overall rule of law index is calculated as the average of the three categories. The index is used to rank countries and territories, with higher scores indicating a higher level of rule of law. The index is also used to track changes in the rule of law over time. The index is published annually in the Rule of Law Index Report.

J. A.

Headquarters 12th Regt. Kentucky Volunteers.

I, William Williams, have the honor to make application for discharge as an enlisted man, in the 12th Regt. Kentucky Volunteers, commanded by Lieutenant H. Rousseau, to accept a Commission as Captain in company F of said Regiment.

I was enrolled as an enlisted man in Company F 112th Regt. Kentucky Inf. Volunteers, by Capt. William A. Hollis on the 22nd day of October, 1861, and mustered into the service of the United States, as an enlisted man April 1st 1862 by Capt. J. B. Walker U. S. A.

I was last mustered for pay as an enlisted man Feb. 29. 1864, and last paid Oct. 31st 1863, by Pay Clerks.

I was commissioned as a Captain by the Governor of Kentucky, the date of my Commission being March 6th 1864, which was received and accepted by me April 20th 1864. I entered upon duty as such, April 20th 1864, by virtue of said commission, a vacancy existing in said grade of Captain in Company F same Regiment, caused by the resignation of W. A. Hollis.

I was again commissioned by the Governor of Kentucky as a Captain 1864, the Commission was received and accepted by me 1864. I entered upon duty as a Captain 1864 by virtue of such Commission there being a vacancy in the same grade in Company F same Regiment, caused by the resignation of W. A. Hollis.

I was last paid as a commissioned officer by the Government up to 1864.

Number of enlisted men in the Company into which I desire to be mustered 44. Number of Commissioned Officers in the same none.

The reasons why I have not been discharged and mustered at an earlier date, are as follows:

When I first received my Commission there was no mustering officer near me and since my regiment has been attached to this Division I have made every effort to be mustered but without success.

1st George W. Clarke 12th Ky. Vol.

The members of the Commission was then duly sworn by the
Recorder and the Recorder was duly sworn by the President.

The case of Capt William Williams, Co. F. 12th Ky. Vol.
was then taken up for investigation, who claimed that he
should be mustered out of service by reason of expiration of term
of service. Capt William Williams was then introduced
and sworn as a witness. Question by Recorder. State your
name, rank and Command and rank at the time your
Regiment reenlisted January 1864.

Answer. William Williams Capt Co. F. 12th Ky. Vol. Inftry
I was 1st Sergeant at the time the Regiment reenlisted in January
1864. Question by Recorder. Did you enlist at Strassburg
Pennsylvania or did you ever express a willingness to
remain with the Veteran portion of the Regiment during its

3 Veteran term of service either directly or indirectly or by implication. Answer. I did not enlist neither have I signified a willingness to remain with the Veteran portion of the Regiment in any way. Question by Recorder. Do you know anything of an order issued at Strawberry Plains Tennessee by General Foster ordering all the non-veterans of the 12th Ky. Inf. to report to Brig. Genl. Haskell for assignment in other Regiments if so state the reason you did not report with them.

Answer. There was such an order I believe Capt. Collier my immediate Commander wanted me to go with him to Louisville Kentucky with the Veteran portion of the Regiment he told me that I was not going to the 24th Ky. to which the non-veterans of the 12th Ky. Infantry was assigned. I had been doing the writing of the Company and he wanted me to go with him and do the same. I think as far as I know that was all he wanted with me I was an enlisted man and of course had to obey his orders.

Question by Recorder. Did you recruit or enlist your present company of Veterans or assist in doing so.

Answer. On the 24th day of December 1864 I took a list of names of men who said they were willing to enlist if mounted. by some means or other it dropped, then Lt. Thomas of Co. F. 12th Ky. Infantry came in and took the names of the same men as I had with the intention of being their Captain, or I understood it that way, if mounted.

Question by Recorder. Did you not agree to enlist if by so doing you would get a commission.

Answer. I recollect of expressing that I ^{would} not enlist and serve as an enlisted man. to the best of my recollection I never said I would enlist if I was commissioned.

Question by Recorder. Did you accept a Veteran furlough

at Louisville Ky with the veteran portion of your Regiment
Answer. Q. Sir, I did not receive a furlough I was
ordered to take charge of the arms of the Company to which I
belonged until my Captain came and released me I then
got a pass of Brigadier General Fox at Camp Nelson Ky
to report at the appointed rendezvous of the Regiment at
Camp Burnside Ky. Question by Recorder Was you
promoted to Captain from 1st Sergeant if so give the dates
of Commission and Muster in as Captain.

Answer. I was promoted from 1st Sergt to Captain the date
of my Commission is March 6th 1864 the date of my
muster in bears date April 20th 1864 (the Commission
and Muster in rolls were examined and found to be as
stated) Capt Travis was introduced and sworn as a
witness. Question by Recorder. State your name, rank,
and Command to which you belong.

Answer. John Travis Captain Co. D. 12th Ky. V. I. S.
now Commanding Regiment.

Question by Recorder. State what you know in regard
to (now) Captain William Williams recruiting and on what
terms he went to Louisville Ky. along with the Veteran
portion of the 12th Ky. Vol. Infantry and whether he received a
furlough at Louisville Ky. and if he recruited what were
the terms on which he did so. Answer. At the time that
the Regiment recruited as Veteran Vol. (now) Captain
Williams was 1st Sergeant of Co. F. 12th Ky. V. I. S. I saw him
take down the names of enlisted men who was willing to
re-enlist as Veteran my understanding was that Sergeant
Williams was to receive a Commission in the Company he
did not re-enlist as an enlisted man but went with the

5 Regiment to Louisville Ky. he remained there until the Regiment was furloughed. His Captain resigned and Sergeant Williams was recommended for the captaincy of that Co. "F." 12th Ky. V.S. it was always my understanding that that was the reason that Sergeant Williams was allowed to go to Louisville Ky. with the Regiment. His 1st Lt. was consulted by Col. H. A. Hoskins (sometime in the latter part of February 1864) then commanding Regiment in my presence as to promoting Sergeant Williams over him. he replied that that was the understanding with the enlisted men and he was perfectly willing that Sergeant Williams be promoted to Captain. on that recommendation Sergeant Williams was promoted to Captain. Question by Recorder. Did you ever hear Captain Collier give any reasons for resigning previous to tendering his resignation. Answer I heard him say several times that he would resign that he did not recollect the Company that Sergeant Williams ought to be the Captain of the Company, that this was the understanding with the men I heard him use the same language in presence of Col. H. A. Hoskins.

Question by Recorder. Do you know of any consultation taking place between Col. H. A. Hoskins and the Officers of Co. "F." 12th Ky. V.S. in regard to the promotion of Sergeant Williams from January 1st 1864 till April 1st 1864, if so at what time and place and by whom and the purport of the same. Answer. In the latter part of February 1864. I was present when Capt Collier Co. "F." 12th Ky. V.S. in conversation with Col. Hoskins then commanding Regt. Capt Collier stated he

resignation that would let him out of the service so that Sergeant Williams could be promoted. I was not present at any other consultation that I know of to the best of my recollection. I would add the Col. Col. commanding Regt. at the time the Regt. enlisted promised the men who would enlist that they might elect their own commissioned Officers and he would have them commissioned. Question by Recorder. Did you ever hear Sergeant Williams while at Louisville Ky state to Capt Collier that he would not enlist.

Answer. I heard Capt Collier say to Sergeant Williams that he had better put his name down as an enlisted man and get the bounty for he would certainly be commissioned. He (Williams) did not put his name down that I know of.

Sergeant Bacon Cook was then introduced and duly sworn as a witness. Question by Recorder. State your name position and the command to which you belong in the U. S. Service. Answer. Green Cook Sergeant. 12th Ky. V. V. I. Question by Recorder. State all you know in detail in regard to Capt. Williams enlisting or signifying a willingness to remain in service with the Veteran

Organization of the 12th Ky. V. V. I. Answer. At Strawberry Plains Tennessee he stated ^{that} he would be our 1st Lieutenant in the Veteran Organization provided we were mounted, he encouraged enlisting at Strawberry Plains Tennessee and went with the Veteran portion of the Regiment to Louisville Ky. and done the writing for the Company that he now commands

7 but showed no further willingness to remain in the Veteran service. Question by Recorder Do you remember how many different lists of names were taken at Strawberry Plains Tennessee to reenlist the Company which Capt. Williams now commands if so how many and by whom. Answer. I know of two, the first one. Capt Williams took at Strawberry Plains the next one by the same at Louisville Ky. Question by Recorder. Do you know of any other list of names of the Company Capt. Williams now commands taken by any other person at Strawberry Plains Tennessee. Answer. I do not. Question by Recorder. State whether Capt Williams while assisting to reenlist his company expressed a willingness or his intention of remaining during the Veteran term of service provided he received a commission. Answer. He did. at Strawberry Plains and until the Regiment got to Louisville Ky.

The Commission adjourned to meet again at 8th Ann. to-morrow the 30 inst. 8th Ann. March 30 1865

The Commission met pursuant to adjournment present same members as yesterday.

Capt Brown was introduced and duly sworn as a witness. Question by Recorder. State your name rank and command to which you belong. Answer. John H. Brown Capt. Co. D. 12th Reg. N.V.I.

Question by Recorder. State in detail all you know in regard to Capt. Williams reenlisting the Company which he now commands and how they ^{were} reenlisted, where, and by whom and at what place and date.

Answer. I do not believe Captain Williams did reenlist the Company he commands, the first time

Plains Cross roads Tennessee in December 1863.
after the question had been talked of sometime Capt
Collier then commanding the Company which Capt.
Williams now commands sent for me to come to his tent
I went there found Capt. Collier Co. 4th 12th Ky. V.I. and
Capt. Travis Co. B. 12th Ky. V.I. and Capt. Henson Co. B.
12th Ky. V.I. Capt. Collier then proposed to me that we
should endeavor to raise the Regiment in Battallions
that he would raise one battallion including his own
Company that Capt. Henson of Co. C. should raise
another Battallion and I should raise the third we three
each representing a Battallion. I declined representing
the Battallion assigned to me in favor of Capt Travis
as he was my senior he Capt. Travis declining to take the
position I then agreed to do what I was requested in the
matter. we separated. I went to my Company and talked
the matter with my men. I met Capt. Collier a day or two
afterwards and he told me he had secured his own Company
and two others for his Battallion the Regiment was shortly
after that ordered to Strawberry Plains Tennessee there
the Veteran movement was started afresh by ^{an} endorsement
of General Foster stating he could not make it a
Cavalry Regiment but he would make it Mounted Infantry
provided it would enlist. the Officers then took the
names of their men. I was frequently in Capt Collier
tent and I always saw him in the act of or doing
something towards recruiting his Company I never
heard any other person named in connection with
the command of his Company I regarded Capt Collier

9 as one of the Officers who would be sure to remain with the Veteran Organization when I afterwards discovered that Capt Collier had not signed the Roll that Officers signed I was very much surprised and when Sergt. Williams was commissioned I was equally as from the first time to the close I knew no other man represented in recruiting that Company than Capt. Collier I would further state I did not regard those Officers who recruited the men as pledged to remain because they had recruited them for the reason that the men were publicly promised by the Lt. Col. (Rousseau) commanding the Regiment that one condition of their recruitment would be they should elect their own Officers. and that any person whom they nominated he would recommend which was not done. In reference to Sergeant Williams going to Louisville Ky. I would state that near a hundred non Veterans went in the same way. Question by Recorder. Do you not know that Sergeant Williams took the names of the men of his Company of those who wished to Veteran or recruit.

Answer. I do not know that he did. Question by Recorder Was Capt Collier present all the time at Strawberry Plains Tennessee while the question of recruiting was agitated

Answer. The question was mooted for a month or more he may have been absent for part of the time

The Commission adjourned to meet again to-morrow the 30th inst at 8 O'Clock A.M.

Question by Recorder. Do you know W^m Williams to be an officer of the 12th Ky. V. V. I.? Answer. He is and has been a commissioned officer since April 1864.

Question by Recorder. What rank and position did William Williams hold at the time the Regiment was listed at Strawberry Plains Tennessee? Answer. He was 1st Sergt of Co. F. Question by Recorder. State all you know in regard

to Sergt Williams reenlisting men for the Veteran organization of 12th Ky. V. I. or having expressed or signified a willingness to remain with the Veteran organization of the Regiment during its Veteran term of service in any way either directly or indirectly since Dec. 30th 1863 to Jan'y 4th 1864. Answer. Sergeant Williams was present with the company at the time. was also very active in reenlisting men for the Veteran organization of the Regiment as I understood with the expectation of receiving a commission in the same company. Question by Recorder.

Answer. I do not remember whether Sergeant Williams name appeared on the Rolls of the Veteran organization as a Veteran Volunteer or not he accompanied the Regiment to Louisville Ky. I know of no authority other than Genl. Foster's order ordering the Veteran organization of the Regiment to Louisville Ky. to be reenlisted.

Question by Recorder. Did Sergeant Williams receive a furlough at Louisville Ky. Answer. Not being in command at that time I do not know whether Sergeant Williams received a furlough or not.

Question by Recorder. Were there any conditions under which Sergeant Williams reenlisted the men. if so what were they? Answer. There were positive conditions (See Genl Foster's endorsement on an application made by me) A copy of which I respectfully submit.

Sir

Under the late order for recruiting Veterans Volunteers I have been enabled to recruit at least three fourths of the 12th Ky Inftry Regiment with the consideration that they be mounted and in order to ascertain whether this arrangement could be made or not I forwarded two applications, one to the Adjutant General of Ky. and the other to the Secretary of War. through your department, since which we have learned through Corps Head Quarters that after the 5th of January 1864 the inducements for recruiting will not be so good, and as it will be impossible for us to learn by that time whether our propositions will be accepted or not, I would respectfully ask what steps it would be advisable for us to take as the Regiment will not recruit as Infantry. If the above proposition is accepted under the first inducements three fourths and very probably the entire Regiment will recruit but under in other circumstances. Will you please give us the necessary information as soon as convenient.

I am General

occupation a laborer

Do HEREBY ACKNOWLEDGE to have agreed with

Richard R. Butler Esq. of Salt Lake

to become his SUBSTITUTE in the Military Service, for a sufficient consideration paid and
delivered to me, on the 3 day of Feb, 1862;

and having thus agreed with said Richard R. Butler I DO HEREBY
ACKNOWLEDGE to have enlisted this 3 day of Feb

1862, to serve as a Soldier in the Army of the United States at Fort, for the period
of THREE YEARS, unless sooner discharged by proper authority: I do also agree to accept such
bounty, pay, rations, and clothing, as are, or may be, established by law for soldiers. And I do
solemnly swear that I will bear true and faithful allegiance to the United States of America;
that I will serve them honestly and faithfully against all their enemies or opposers whomsoever;
and that I will observe and obey the orders of the President of the United States, and the orders

We certify, on honor, That we have carefully examined the above-named Volunteer Substitute
agreeably to the Regulations, and that, in our opinion, he is free from all bodily defects and mental infirmity
which would in any way disqualify him from performing the duties of a soldier; that he was entirely sober
when enlisted; that he is of lawful age, (not under 18 years;) and that, in accepting him as duly qualified to
perform the duties of an able-bodied soldier, and as a Substitute in lieu of R. R. Butler

of Utah Co. dated in Salt Lake

1862, we have strictly observed the Regulations which govern
in such cases. This soldier has gray eyes, fair hair, fair complexion; is 5 feet 2 1/2

I CERTIFY, that I have carefully examined the said *Daniel Wilson private* of
Captain *A. Collier's* Company, and find him incapable of performing the duties of a soldier

because of (Here consult par. 1243, p. 324, etc., par. 1244, p. 345, and directions on Form 12, p. 325, par. 1243, p. 344, Rev. Army Reg.) *Pulmonary disease*

He is much debilitated and has only been on duty about two weeks since February
has extensive bronchitis on both sides. There is some tubercular deposit in apex

FINAL STATEMENT

Henry Wilson
12th Regt of Ky, 1st Dist
6th Co
VOLUNTEER.
Disch April 7, 1865

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out. (Final Statements are never given to men mustered out of service.) One may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment ordered on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these final statements from the Soldier, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the Adj. Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amount due the Soldier and Landworn must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the Soldier is a drafted man or substitute, the space for time, &c., or entitled, should contain only the word "drafted" or "substitute," as the case may be. If the Soldier is a "VETERAN," (or RECENTLY the words as a soldier or recruit,) as the case may be, should be inserted after the word "entitled" and the words of the U. S. A. A statement of all the particulars of service on which bounty is claimed should be given by the Soldier when he takes his discharge of any final statement.

ARTICLES OF WAR

ART. 15. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the company or company shall, in the presence of two other commissioned officers, take an inventory of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier, or any of the officers, as authorized to take care of the effects of such officers and soldiers, should, before they have commenced to receive pay for the same, have occasion to leave the regiment, or detachment or otherwise, they shall, before they be permitted to leave, deposit in the hands of the commanding officer, or of the adjutant general, all the effects of such deceased non-commissioned officer or soldier, in order that the same may be accounted for, and paid to the representatives.

ART. 16. REGULATIONS—SECTION OF THE

DECEASED SOLDIERS.

The inventory of the effects of deceased non-commissioned officers and soldiers, required by the 15th Article of War, will be taken by the commanding officer of the company in which the deceased soldier was killed, and a duplicate of the same to the credit of the estate of the deceased soldier, of pay, clothing, &c., will be sent with the report of the commanding officer to the office of the adjutant general. When a soldier dies at a post or station distant from the office of the adjutant general, a report of his death, place, and cause, to what time he was last paid, and of other effects in his possession at the time of his death, will be sent to the nearest major of the company to whom the report will be made. Such inventory will be taken, "Inventory of the effects of _____, late of company _____, regiment _____, who died at _____, the _____ day of _____, 186____." If a report is made, the fact will be reported.

The effects of a deceased non-commissioned officer or soldier, who died at a post or station distant from the office of the adjutant general, will be taken by a commissioned officer of the post, and the proceeds, after payment to the credit of the estate of the deceased soldier, will be forwarded by the commanding officer to the adjutant general, to the credit of the United States Treasury.

In all such cases of sales by the Council of Administration, in detail, or account of the proceeds, duly certified by the commanding officer, accompanied by the Paymaster's receipt, will be forwarded by the commanding officer to the adjutant general. The statement will be submitted, "Report of _____, late of company _____, who died at _____, the _____ day of _____, 186____."

The effects in all cases, when called for, should be turned over to the representatives, without further authority from the adjutant general. When the effects are turned over to the relatives of the deceased soldier, these inventories are sent to the Adjutant General, who should be attached to the inventory. In all other cases, the effects should be turned over to the adjutant general, and a duplicate retained by the office.

The Paymaster now should be taken to take receipts in duplicate for any funds turned over to him, one copy of which should be sent to the Adjutant General and one retained by the office.

NOTES.

- 1..The amount of any extra pay for which the soldier may be mustered, as, *gr. as Acting Hospital Steward, as Saddler, &c.*, and which may be still due him, must be carefully noted.
- 2..In the column headed "BOUNTY PAID," must be entered the whole amount *bonaria* paid him; in that of "BOUNTY DUE," the whole amount yet due him. Bounty paid by State authorities, and not by the United States, will not be entered on this statement.
- 3..Stoppages for loss or damage done to arms, or other public property, must be noted, and the articles, and particular damage to each, specified. When stoppages are due, under sentence of a Court Martial, a transcript of the same must be entered here; and the amount already stopped must be carefully stated.
- 4..In every case of desertion, the date, and that of delivery, or apprehension, must be given, together with a correct transcript of the order of sentence or pardon.
- 5..A careful statement of the man's CLOTHING ACCOUNT must be made, in date, and the amount DUE TO, or FROM him must be precisely stated.
- 6..Should the man have been engaged in any action or skirmish, it must be mentioned, together with date and place. A full and particular mention will be made of any wounds he may have received in action, or other injury, within in the time of his duty.
- 7..If the soldier is entitled to pay for the use of his horse, the company commander will certify to that fact on this list, and also to the time he has pay due for having been so mounted on his own horse.
- 8..When a soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.
- 9..Where a soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.
- 10..Men drafted will be considered as mustered in from the date of their draft, and will be mustered for pay on the usual rolls for Volunteers. On the same line as the soldier's name, under the heading "Joined for Duty and Enrolled.—Commencement of First Payment by Time," will be written the word *drafted*; and under the heading "When Mustered in," will be given the date when the soldier was drafted; under "Where Mustered in," will be given the place from which drafted; under the heading "By whom Mustered in," will be given the No. of the Enrollment District from which he was drafted, and the State to which it belongs, thus: 4th D. Mass.; (meaning 4th Enrollment District, State of Massachusetts.)
- 11..A separate descriptive list should, as a general rule, be given for each man.
- 12..Descriptive lists must, in all cases, be signed by COMMISSIONED officers; not by enlisted men acting as such.

FINAL STATEMENT

John P. Wilson *Co of Coats*
12 Reg't of Ky Infy Veteran

VOLUNTEERS.

Disch Oct 12 1864.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out (Final Statements are never given to men mustered out of service,) that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for bank pay, &c., are settled by the 31 Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landworn must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute, the space for time, &c., if enrolled, should contain only the word *drafted* or *substitute*, as the case may be. If the Soldier is a "VETERAN," (or RECRUIT,) the words *as a veteran*, (or *recruit*;) as the case may be, should be interlined after the words *mustered into the service of the U. S.* A statement of all the landworn of Veterans or Recruits being RECEIVED by the Soldier must be made on the back of each final statement.

Discharge not sent

I certify, on honor, that John P. Wilson, a Private of
Captain John Freni Company (B) of the 12th Regiment of Ky Veterans

NOTE.—This affidavit should be pasted to the Muster-in Roll to which it belongs.
NOTE.—The oath may be administered by the Adjutant of a Regiment, Detachment, or Post, a
Judge Advocate or Recorder of a Court Martial, or by a civil Magistrate.
NOTE.—The Mustering Officer will require each candidate for muster into service to exhibit his
commission (or appointment) from the Governor of the State to which the Regiment into which he
desires to be mustered belongs. No muster will be recognized if made to cover a period in which the
officer is borne on the Rolls and Returns of his Regiment as of an inferior grade, or beyond the date of
the receipt of his commission (or appointment) from the Governor of the State. If an officer is taken up
on a muster roll as of any grade before being mustered into service in that grade, after the promulgation
of General Orders, No. 48, of 1862, it is a false muster on the part of the officer making it, and will not
be recognized at the Adjutant General's Office or by the Mustering Officer, but will be immediately
reported to the Adjutant General.

ARTICLES OF WAR.

ART. 55. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preachment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the nearest military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

ARMY REGULATIONS—EDITION OF 1862.

DECEASED SOLDIERS.

Par. 132. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 55th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., in duplicate, will be sent to the Adjutant General with one copy of the inventory. When a soldier dies at a post or station absent from his company, it will be the duty of the subordinate commander to furnish the required inventory and statements, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of _____, late of company (—) _____ regiment of _____, who died at _____, the _____ day of _____, 186—." If a legal representative receive the effects, it will be stated in the report. If the soldier leaves no effects, the fact will be reported.

Par. 133. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

Par. 134. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of _____, late of company (—) _____ regiment of _____, who died at _____, the _____ day of _____, 186—."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, the receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 2.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

Act. Secy. H. A.

- 1..The amount of any advance pay for which the soldier may be mustered, as per an Acting Hospital Steward, as Soldier, &c., and which may be called for him, must be carefully noted.
- 2..In the column headed "BOUNTY PAID," must be entered the whole amount actually paid him; in that of "BOUNTY DUE," the whole amount yet due him. Bounty paid by State authorities, and not by the United States, will not be entered on this statement.
- 3..Stoppages for loss or damage done to arms, or other public property, must be noted, and the articles, and particular damage to each, specified. When stoppages are due, under sentence of a Court Martial, a transcript of the same must be entered here; and the amount already stopped must be carefully stated.
- 4..In every case of discharge, the date, and that of delivery, or apprehension, must be given, together with a correct transcript of the order of sentence or pardon.
- 5..A careful statement of the man's CLOTHING ACCOUNT must be made, to date, and the amount DUE TO, or FROM him must be precisely stated.
- 6..Should the man have been engaged in any action or skirmish, it must be mentioned, together with date and place. A full and particular mention will be made of any wounds he may have received in action, or other injury, whilst in the line of his duty.

NOTES.

- 7..If the soldier is entitled to pay for the use of his horse, the company commander will certify to that fact on this list, and also to the time he has pay due for having been so mounted on his own horse.
- 8..When a soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowance that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 1st Auditor of the Treasury Dept.
- 9..Where a soldier dies in Hospital or on detached service, his descriptive

- list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.
- 10..Men drafted will be considered as mustered in from the date of their draft, and will be mustered for pay on the usual rolls for Volunteers. On the same line as the soldier's name, under the heading "Joined for Duty and Enrolled—Commencement of First Payment by Time," will be written the word drafted, or substitute, as the case may be; and under the heading "When Mustered in," will be given the date when the soldier was drafted, or, if a substitute, when enlisted, (substituted, under the Enrollment Act, are mustered in by enlistment;) under "Where Mustered in," will be given the place from which drafted, (or if a substitute, where enlisted;) under the heading "By whom Mustered in," will be given the No. of the Enrollment District from which he was drafted, and the State to which it belongs, thus: 4th D. Mass., (meaning 4th Enrollment District, State of Massachusetts.) Or if a substitute, the name of the officer enlisting him. (When enlisted by Board of Enrollment, the name of the Provost Marshal of the Enrollment District.)
- 11..A separate descriptive list should, as a general rule, be given for each man.
- 12..Descriptive lists must, in all cases, be signed by commanding officers; not by enlisted men acting as such.

He is mustered to Capital
York Co. May 27/60

NOTATION.

Book mark: 10025 b. 1887.

War Department,

Adjutant General's Office,

Washington, Apr. 16, 1887.

This man deserted on or about May

12, 1864, and returned

on or about July 17, 1864.

As he was subsequently restored to duty by S.O. No.

71, Regt. 3^d Div, 23^d A.C. Feb 26/64,

without trial, but upon conditions which appear to have

been complied with (so far as not waived by the Gov-

ernment), the charge of desertion no longer stands

against him. The record of the fact that he was absent

in desertion from on or about May 12,

1864, to on or about July 17, 1864

cannot, however, be expunged.

VOLUNTARY
STATE OF *East Tennessee* **TOWN OF** *Chattanooga*
Thomas Woodson

I, *Thomas Woodson* born in *Chilton Co*
 in the State of *Tennessee* *1844* years,
 and by occupation a *farmer* do HEREBY ACKNOWLEDGE to have
 volunteered this *first* day of *January* 1864
 to serve as a Soldier in the Army of the United States of America, for the period of
THREE YEARS, unless sooner discharged by proper authority: Do also agree to
 accept such housing, pay, rations, and clothing, as may be, established by law
 for volunteers. And I, *Thomas Woodson* do
 solemnly swear that I will bear true faith and allegiance to the United States of
 America, and that I will accept them honestly and faithfully against all their enemies
 or opposed whatsoever, and that I will observe and obey the orders of the President
 of the United States, and the officers of the officers appointed over me, according to
 the Rules and Articles of War.

Thomas Woodson
Chattanooga, Tenn

I CERTIFY ON OATH, That I have carefully examined the above named Volunteer, agreeably
 to the General Regulations of the Army, and that, in my opinion, he is free from all bodily defects and
 mental infirmity, which would in any way disqualify him from performing the duties of a soldier.

Wm. H. Mullins
Chattanooga, Tenn

I CERTIFY ON OATH, That I have minutely inspected the Volunteer
 personally in the presence of the authorities, and that he was entirely competent to perform the duties of
 an able-bodied soldier. I have strictly observed the Regulations which govern the recruiting service.
 This certificate has been given to the Volunteer, and a copy of the same is filed in the office of the
 Recruiting Officer.

Signed *Stephen Wright*
Witness *John H. Miller*

I CERTIFY, ON OATH, That I have carefully examined the above named Volunteer, agreeably
to the General Regulations of the Army, and that, in my opinion, he is free from all bodily defects and
moral infirmity, which would in any way disqualify him from performing the duties of a soldier.

John H. Miller
CONSENT IN CASE OF MINOR

previously examined, and that he was lawfully taken when enlisted; that, to the best of my knowledge,
he is a free man, and that, in accepting him as a volunteer, I have strictly observed the Regulations which govern the recruiting service.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of recruits, &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the recruiting officer (not the recruiting officer) to the Adjutant General, and one to accompany the returns of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment binds to service. A recruit must, in all cases, receive payment of pay, bounty, pension, &c. A recruit will not, in all cases, be paid in the Adjutant General's Office as evidence of receipt. The recruiting officer, commissary, or assistant commissary of recruits, as the case may be, will countersign both enlistments as having received the soldier into the service of the United States before either of them is given to the recruiting officer.

NOTE 1.—This blank will be used for both the enlistment and re-enlistment of recruits, etc., in the volunteer service. They will be made out in duplicate, in all cases—one to accompany the recruiting return of the recruiting officer (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, etc. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment binds to service. A recruit in work, in all cases, receives payment of pay, bounty, pension, etc. A recruit in full work, in all cases, is paid in the Adjutant General's Office as evidence of receipt. The recruiting officer, commissary, or military commissary of recruits, in the case may be, will accompany both enlistments on having received the soldier into the service of the United States before either of them is given to the recruiting officer.

NOTE 1.

The company commander will have add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as A, B, C, &c., to describe particularly the disability, wound, or disease, the extent to which it deprives him of the use of any limb, or faculty, or affects his health, strength, activity, capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his opinion of the cause or origin of the disability. In cases of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

For 1880 Regulations, Eds. 1889.
Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge, and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, syphilis, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

INSTRUCTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to the division commander; or, if the papers are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge soldiers may be specially delegated.

These certificates, after having received the action of the proper authority to which they are required to be sent, will be retained through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the certificate of the proper authority, sign the soldier's discharge, and the certificate on this paper, and take the soldier in discharge, and forward both documents in duplicate, and forward both of them to the Adjutant General United States Army, Washington, D. C. They will not under any circumstances be given to the hands of the soldier.

I hereby Certify that I have Carefully
examined William A. Kridge of Company C.
18th Regiment Kentucky Vol. and find that
he is suffering from Debility & very
extensive Inflammation of the Lungs as the
Consequence of Cough after Pneumonia which
was contracted in Camp at Campbellsville
last fall and that in consequence
thereof he is in my opinion incapa-
citated for duty and will be absent
the period of sixty days from this date.
And I am further of the
opinion that said Kridge will not
be of any important use to the Gover-
nment as a Soldier for the next twelve
months & that it would be the best
interest of the Government that said
Kridge be discharged from the
Service.

NOTES.

- 1..The amount of any arrears pay for which the soldier may be mustered, as, *gr.* as Acting Hospital Steward, as Soldier, &c., and which may be still due him, must be carefully noted.
- 2..In the column headed "BOUNTY PAID," must be entered the whole amount *Adverse* paid him; in that of "BOUNTY DUE," the whole amount yet due him. Bounty paid by State authorities, and not by the United States, will not be entered on this statement.
- 3..Stoppages for loss or damage done to arms, or other public property, must be noted, and the articles, and particular damage to each, specified. When stoppages are due, under sentence of a Court Martial, a transcript of the same must be entered here; and the amount already stopped, must be carefully stated.
- 4..In every case of desertion, the date, and that of delivery, or apprehension, must be given, together with a correct transcript of the order of sentence or pardon.
- 5..A careful statement of the man's CLOTHING ACCOUNT must be made, to date, and the amount DUE TO, or FROM him must be precisely stated.
- 6..Should the man have been engaged in any action or skirmish, it must be mentioned, together with date and place. A full and particular mention will be made of any wounds he may have received in action, or other injury, whilst in the line of his duty.

[A. G. O. No. 93.]

- 7..If the soldier is entitled to pay for the use of his horse, the company commander will certify to that fact on this list, and also to the time he has pay due for having been so mounted on his own horse.
- 8..When a soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

- 9..Where a soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.
- 10..Men drafted will be considered as mustered in from the date of their draft, and will be mustered for pay on the usual rolls for Volunteers. On the same line as the soldier's name, under the heading "Joined for Duty and Enrolled.—Commencement of First Payment by Time," will be written the word *drafted*; and under the heading "When Mustered in" will be given the date when the soldier was drafted; under "Where Mustered in," will be given the place from which drafted; under the heading "By whom Mustered in," will be given the No. of the Enrollment District from which he was drafted, and the State to which it belongs, thus: 4th D. Mass.; (meaning 4th Enrollment District, State of Massachusetts.)
- 11..A separate descriptive list should, as a general rule, be given for each man.
- 12..Descriptive lists must, in all cases, be signed by COMMISSIONED officers; not by enlisted men acting as such.

I CERTIFY that the above is a correct transcript from the Records of Descriptive Book

NOTES.

1. The amount of any care pay for which the soldier may be entitled, as, for an Acting Hospital Steward, as Soldier, &c., and which may be due him, must be carefully noted.
2. In the column headed "BOUNTY PAID," must be entered the statement whether paid him; in that of "BOUNTY DUE," the amount due him. Bounty paid by State authorities, and not by the United States, will not be entered on this statement.
3. Stoppages for loss or damage done to arms, or other public property, must be noted, and the articles, and particular damage to each, specified. When stoppages are due, under sentence of a Court Martial, a transcript of the same must be entered here; and the amount already stopped, must be carefully stated.
4. In every case of discharge, the date, and that of delivery, of the discharge, must be given, together with a correct transcript of the order of contents or pardon.
5. A careful statement of the man's CLOTHING ACCOUNT must be made, in date, and the amount DUE TO, or FROM him must be precisely stated.
6. Should the man have been engaged in any action or skirmish, it must be mentioned, together with date and place. A full and particular account will be made of any wounds he may have received in action, or other injury, whilst in the line of his duty.

[A. G. O. No. 38.]

7. If the soldier is entitled to pay for the use of his horse, the company commander will certify to that fact on this list, and also to the time he has pay due for having been so mounted on his own horse.
8. When a soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the soldier these statements, and endorsed with a statement to the effect by the officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the master roll upon which the soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these master rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

9. Where a soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.
10. Men drafted will be considered as mustered: in from the date of their draft, and will be mustered for pay on the usual rolls for Volunteers. On the same line as the soldier's name, under the heading "Joined for Duty and Enrolled.—Commencement of First Payment by Time," will be written the word drafted; and under the heading "When Mustered in," will be given the date when the soldier was drafted, under "Where Mustered in," will be given the place from which drafted; under the heading "By whom Mustered in," will be given the No. of the Enrollment District from which he was drafted, and the State to which it belongs, thus: 4th D. Mass.; (meaning 4th Enrollment District, State of Massachusetts.)
11. A separate descriptive list should, as a general rule, be given for each man.
12. Descriptive lists must, in all cases, be signed by commissioned officers; not by enlisted men acting as such.

I CERTIFY that the above is a correct transcript from the Records of Descriptive Book
